Employee attendance at Brown Bag lunches rotates through the staff to maintain a small company feel and offer more intimate access to the President & CEO. Many initiatives at this great workplace have been generated by employee suggestions, from courses offered by Granite Leadership University, to selecting the charities supported by the community giving initiatives. With perks like buddy programs, employee appreciation lunches, birthday celebrations, an extra "My Day" holiday, tuition reimbursement and more, it's no wonder Graniteers are such a happy bunch.
