10. Granite Properties

10 of 26

BACK

NEXT

Location: Plano, TX

Industry: Construction and real estate

Employees get one week of paid time off to volunteer for a charity of their choice. The company also provides payroll advances for emergency situations, and workers also have the option of donating their paid time off to the emergency fund. As a camaraderie-building exercise, Granite Properties holds company-wide games. The most recent competition was a "Whirlyball" tournament, where employees played a game that is a hybrid of lacrosse and bumper cars.
