Plano-based [Granite Properties](#) is one of the 25 best small businesses in the nation to work for, according to CNNMoney.

Granite was cited as No. 10 on the list of companies with 25-249 employees for allowing employees one week of paid time off to volunteer for a charity of their choice and for providing payroll advances for emergency situations. CNNMoney also said Granite holds camaraderie-building exercises in the form of company-wide games.
